Typology: Cabina armadio | Walk-in wardrobe | Armoire-penderie | Schrank | Vestidor

Una cabina armadio che fa della sua ecletticità il vero punto di forza essendo in grado con semplici accorgimenti tecnici di assecondare l'architettura di una stanza o dividerla diventando free-standing.

A walk-in wardrobe that stands out for its eclectic features. Simple technical adjustments will make it either merge into the architectural layout of a room or act as a partition that divides the room by being placed as a free-standing element.

Une armoire-penderie qui fait de son éclectisme le vrai point fort, étant en mesure grâce à de simples astuces techniques de seconder l'architecture d'une pièce ou de la séparer en devenant free-standing.

Die Stärke dieses begehbaren Schrankes liegt in seiner Vielseitigkeit: dank einfacher technischer Vorrichtungen ist er in der Lage, sich perfekt in ein Zimmer einzufügen oder freistehend als Trennelement zu fungieren.

Un vestidor que convierte su aspecto ecléctico en su verdadera fuerza consiguiendo, con simples soluciones técnicas, moverse al compás de la arquitectura de una habitación, o dividirla para que sea free-standing.
